Leave Policy 2026

Meridian Infra Ltd - Human Resources - Effective 1 April 2026

1. Purpose and scope

This policy explains the paid and unpaid leave available to permanent and fixed-term employees of Meridian Infra Ltd in India. It applies from 1 April 2026 and replaces all earlier leave circulars. Interns and contractors are covered by the terms of their own agreements.

Leave is planned with your reporting manager and recorded in the HR portal. Approved leave is never deducted from salary, and no one is asked to work while on approved leave except in a declared emergency.

2. Annual entitlement

Every full-time employee receives an annual entitlement of 24 working days of earned leave per leave year (April to March). The entitlement accrues at two days per completed month of service. Part-time employees accrue on a pro-rata basis according to their contracted hours.

Employees who complete five years of continuous service receive three additional days of earned leave each year. After ten years the additional allowance rises to five days.

Earned leave should be requested at least two weeks in advance for absences of three working days or more. Shorter absences can be requested two working days ahead.

3. Carry forward and encashment

Up to 12 unused days of earned leave may be carried into the next leave year. Any balance above 12 days lapses on 31 March unless the Head of HR approves an exception because of business needs.

On resignation or retirement, the unused earned leave balance is paid out at the basic salary rate. Encashment while in service is allowed once a year for a maximum of 10 days.

4. Public holidays

The company observes 12 public holidays each calendar year. The list for each office is published in December for the following year. Employees who work on a public holiday at a manager's request receive a compensatory day within 60 days.

5. Sick leave

Employees receive 12 days of paid sick leave per leave year. A medical certificate from a registered doctor is required for absences longer than two consecutive working days. Unused sick leave does not carry forward and cannot be paid out.

Long-term illness is handled case by case with HR and may combine sick leave, earned leave and unpaid medical leave.

6. Parental leave

Birth mothers receive 26 weeks of paid maternity leave for the first two children and 12 weeks for any further child. Adoptive and commissioning mothers receive 12 weeks from the date the child is handed over.

Fathers and partners receive 15 working days of paid paternity leave, to be taken within six months of the birth or adoption. Leave can be split into a maximum of three blocks.

7. Other leave

Bereavement leave: five working days on the death of an immediate family member. Marriage leave: five working days, once during employment. Voluntary service leave: two days per year for registered community work.

Unpaid leave of up to three months may be granted for personal reasons after one year of service, with the approval of the department head and HR.
